CALACT MBTA RFP 16-01

Bus Shelters and Solar Illumination

CalAct/MBTA Purchasing Schedule with Tolar Manufacturing Co., Inc

A Buy America compliant and state approved procurement method for CalAct members designed to:

- Save agencies the time and expense of creating their own RFP or IFB documents
- Leverage the buying power of the organization

CalAct/MBTA Purchasing Schedule with Tolar Manufacturing Co., Inc

Option Year 2 Contract Extension MBTA CONTRACT NO. 16-01-Tolar

THIS AMENDMENT is made and entered into on 7/17/19 between and among **TOLAR MANUFACTURING, COMPANY, INC.** a California corporation, with its principal place of business located at 258 Mariah Circle, Corona, California ("SELLER"), and **MORONGO BASIN TRANSIT AUTHORITY** ("MBTA"). SELLER and MBTA may be referred to herein individually as "Party" or collectively as "Parties"

RECITALS

WHEREAS, MBTA, by its Request for Proposals # 16-01, duly advertised for written proposals to be submitted on or before April 15, 2016 for the purchase of Bus Shelters ("SHELTERS") on behalf of the California Association for Coordinated Transportation ("CALACT") by the MBTA; and

WHEREAS the parties entered into an AGREEMENT, MTBA Contract No 16-01-Tolar on August 15, 2016; and

WHEREAS the AGREEMENT was for a two-year base period with three one-year options; and

WHEREAS MBTA Board of Directors has provided authorization by resolution to exercise the second one-year option;

NOW THEREFORE BE IT RESOLVED incorporating the foregoing recitals herein, for and in consideration of the promises and of the mutual covenants and agreements herein contained, SELLER and MBTA hereby agree as follows:

1. Per Section SP-3, Period of Performance, the period of contract performance is extended to exercise the first one-year option. The new Period of Performance is extended through July 28, 2020.
2. Per Section SP-6.3, Shelter and Optional Accessories Pricing for Option Periods, the price of the shelters and of the optional features for each option period shall be the unit price established in the initial Schedule adjusted by PPI 107 as stipulated in the Contract. For the first one-year period, the price increase is 11.09%. The new pricing is attached to this Amendment and shall become effective for orders placed on or after July 28, 2019

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first above written.
